To all OAPSO Members

What happened to 2011? Ready or not 2012 is here, and it is time to renew your membership to the Ontario Association of Property Standards Officers. The one year membership period is from January to December, so it is necessary for members of OAPSO to renew their 2012 membership.

As you are aware, we are working hard to encourage education, learning, and training to help promote and maintain the professional qualifications of Property Standards Officers across Ontario. Annual membership fees help the Board of Directors pay for formal training and continuing education for our members. This also helps provide newsletters, OAPSO Regional Chapters and the new web site. Our continuing goal includes advising our members in the development of government legislation, applicable laws, and practices related to our respective duties as Property Standards Officers in Ontario. With your help, any additional goals of your Association, OAPSO, will also become a reality.

Please renew your membership to OAPSO by returning the attached membership and renewal form so you can continue to receive mailings without interruption. If you have paid the 2012 membership fee and have already sent the application to OAPSO, thank you for your membership and for your continued interest and support. Your involvement is important and very much appreciated. A receipt will be mailed to all completed membership applications.

The web site is:

Look for a local OAPSO chapter near you. The Board of Directors also looks forward to seeing you this year at the Annual Meeting & Training Conference in North Bay, May 27 to June 1, 2012.

Please contact me directly if you have any questions, comments or concerns regarding your OAPSO membership.

Best regards,
